Talk About It - Write About It

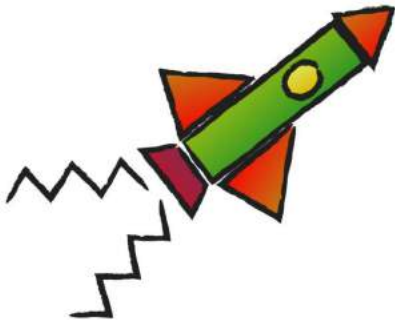

Look at each picture. Listen to your teacher. Use the examples, and fill in the blanks.

It's a radio. It has squares, rectangles, and circles. Also, there are straight lines, and a zig zag.

It's a house. It has a red _____ and a big orange _____. Also, there is a white _____, and _____

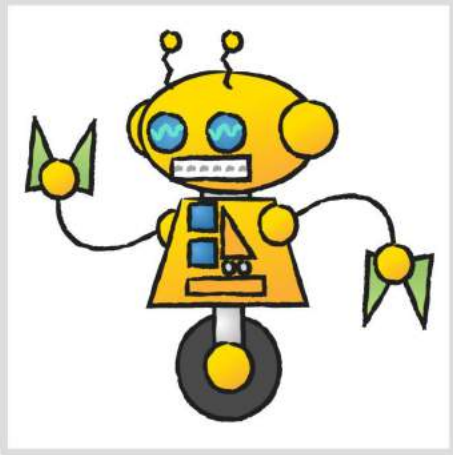

It's a rocket. It has one green _____ and one yellow _____. It also has _____

Draw & Write

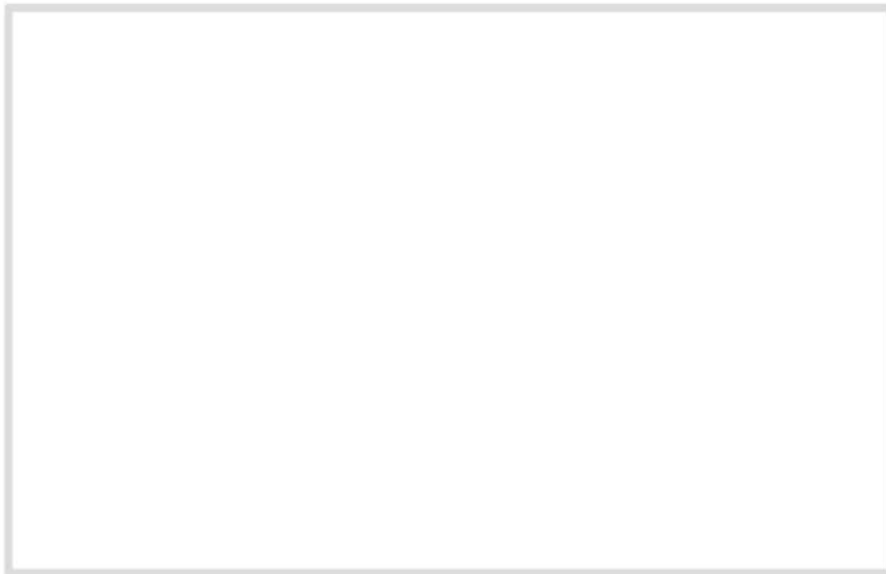

Use the shapes and lines to draw your own pictures. Write a few sentences about them.

Example: Cutter the Robot

This is my robot. Its name is Cutter. Its head is an oval. Its hands are triangles. Its body is a trapezoid. Its arms are wavy lines. Cutter is a very cool and dangerous robot.

Remember to have fun and use as many shapes and lines you can!
